

## Neshoba North Neighborhood Watch

*8 Area Coordinators Still Needed*

Due to much interest expressed by Neshoba North residents, our neighborhood watch program has been established and is up and going. Over the summer you will be contacted by your area coordinator who will be compiling basic household information provided by each home in his/her area. Your coordinator will be easily identified by a neighborhood watch nametag and will have neighborhood watch literature for you.

We already have 25 volunteer area coordinators which is fantastic considering we are such a large neighborhood (over 400 homes)! Eight coordinators are still needed for the following areas:

- Apple Valley Cove & Apple Valley Rd. (Cordova to the dead end)
- Ashtone Cove & Ashtone St.
- Dove Field Cove
- Hollow Fork Cove
- Miller Farms Rd. (between Apple Valley to Neshoba)
- Neshoba Cove
- Neshoba Rd.
- Old Mill Cove & Old Mill Rd. (by Blackberry Farm to Apple Valley)

The job of "Area Coordinator" involves just a little time giving literature to homes in your area and there will be four meetings scheduled throughout the year that you may attend. If you are interested in helping our neighborhood in this capacity please contact Bonnie Lee 624-2811 or [bonnieblee45@comcast.net](mailto:bonnieblee45@comcast.net).

The Neshoba Neighborhood Watch program recognizes that residents have the right to a safe neighborhood. The Neighborhood Watch is a program intended to increase safety in our neighborhood by involving individuals and families in a united crime prevention effort.

*Neshoba North is a safe, wonderful neighborhood and we will continue to keep it that way!*
