**President's Message
by Chuck Baker**

Hello neighbors! I hope that everyone has enjoyed our exceptional spring this year and are ready for a great summer. It is my hope that this newsletter will keep you up to date on what is going on in our neighborhood and how you can participate in the Neshoba North Neighborhood Association. Our neighborhood cook-out last fall was enjoyed by everyone, and we have decided that we are not going to wait an entire year to have another outdoor event. On June 1st, we are sponsoring an ice cream social in our neighborhood for all of our residents. Not only are association members invited, but we would really like our non-member neighbors to join us as well. This will be a great opportunity for you to meet and greet your friends and neighbors. The specifics for the ice cream social are later on in this newsletter.

Not only does our association sponsor neighborhood events, it also gives us the opportunity to let our neighbors know what has been going on in their neighborhood. During our last general meeting, there were many questions and concerns voiced by our residents. Representatives from the City of Germantown spoke about the "Smart Growth Plan", zoning issues, police/fire services, and the decorative street signs. We also let everyone know about the disaster preparation training that many of our neighbors had received from the Germantown Fire Department. This is just one way our neighbors are getting involved with the association. Another way to get involved is our neighborhood watch program. I hope that many of our residents will become involved with this program along with the disaster preparation training which will be offered again by the fire department.

If you have not seen the City of Germantown's "Smart Growth Plan", it is available on the City of Germantown's website. I believe this is an excellent concept and that it will benefit all of us in the long run. Also, the City has hired more than ten new police officers to patrol our city. The crime rate during the first part of 2007 was much lower than the previous year. The addition of new officers should help keep it that way.

It seems that the most asked about issue in our neighborhood right now are the decorative street signs. You might have noticed these signs popping up around Germantown over the past year. These are the custom street signs that are replacing the standard green metal street signs that are in our neighborhood. The cost of each sign is \$450.00. The City of Germantown will pay \$225.00 of this cost. Any family interested in sponsoring the remaining portion of this cost should contact Debora Mort, our Special Projects Chairperson, at (901)752.8594 or email her at debora4031@bellsouth.net. During the June 1st ice cream social, we will explain in detail about how to get the signs, and we will have an example of the signs at this event. I will be more than happy to answer any questions or concerns on that date or at any other time.

I look forward to seeing everyone on June 1st, and I hope everyone has a great and safe summer.

Chuck Baker, Jr.
President

Watch**

Come join us at our
next Neighborhood
Association
Committee meeting.
Date: July 12th
Time: 7:00 PM
Place: G'town Library

2007 Membership Dues Are Now Due

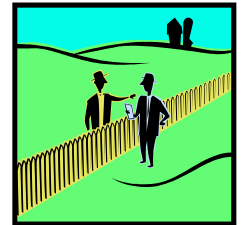

The best way to be involved and know what is happening in your neighborhood is to become a member of the neighborhood association. Membership has benefits. You will be added to the neighborhood e-mail distribution list and will receive periodic announcements for upcoming neighborhood events along with issues affecting the neighborhood. At each general meeting, we usually have a representative from the City of Germantown to discuss current issues that may have an impact on our neighborhood. As a member, you will also be entitled to vote at all neighborhood business meetings and attend all neighborhood functions.

If you have a talent, skill or special interest you think would benefit the neighborhood association then let us know what you can do or what you are interested in learning to do. Contact one of the officers of our neighborhood association and pass along the information. Contact information for the officers is located on the left side of this newsletter's. This information will allow the officers to develop a talent pool of resources available to us. If we have the resources and skills to take on particular projects then we will definitely pursue them. You just might have the skill, talent or interest we've been looking for.

To assist you in renewing your membership or becoming a new member we have enclosed with this newsletter a Neshoba North Neighborhood Association membership form. Mail your completed form along with your check of \$20.00 to Thomas Kirk, our Treasurer. His address is 1591 Old Mill Road, Germantown, TN, 38138.

You may contact Susan Cave by phone at (901) 737.1706 or Doris Brewer by phone at (901) 756.4495 with any questions regarding membership. If you would prefer to contact them by email, Susan's email address is barkleycave@aol.com and Doris' email address is doris.brewer@gmail.com. They will gladly answer any questions that you may have.

A MESSAGE FROM OUR EMERGENCY PREPAREDNESS COMMITTEE

Information on the CERT Program (Community Emergency Response Team)

Our Neighborhood Association was one of the first and largest participants in the CERT training program with 20 of our members attending. The City of Germantown offers Community Emergency Response Team (CERT) training for residents who want to learn how to be better prepared for disasters. This training will be invaluable in the event of a disaster for all our neighbors. The City of Germantown has an on going program of CERT training. In this program, you will be trained in basic self-help and mutual-aid emergency functions. Classes are taught by trained emergency personnel, including firefighters and Emergency Medical Services (EMS) personnel. This free program consists of 20 hours of training and emphasizes hands-on practice. We would like for more of our members to attend this training program. The more individuals trained will add to our neighborhood's ability to take care of our neighbors in an emergency situation. Anyone interested in joining our Disaster Preparedness Committee or additional information on the Community Emergency Response training program can contact John Rice at (901) 759.9797 for further information.

A MESSAGE FROM OUR NEIGHBORHOOD BUNCO GROUP/THE GIRLS' NIGHT OUT

Each month, many of our neighborhood ladies get together at a neighbor's house to enjoy an evening of fellowship along with playing a game of Bunco or enjoying a delicious pot luck dinner. The month of May, we will have a pot luck dinner at the home of Bonnie Lee. If you have never played Bunco, don't let that stop you from joining in on an enjoyable couple of hours with your neighbors. Bunco is so easy that you can be a pro after one game. Due to the usual hectic summer schedules for everyone, a decision was made to postpone our monthly get-together for the summer. If anyone is interested in joining our group in the fall, please contact Bonnie Lee at (901) 624.2811 or you can email her at bonnieblee45@comcast.net.

MARK YOUR CALENDAR!

Our Neighborhood Association has planned our next social gathering. This event is for all our neighbors. Members as well as non members of the association are invited. We hope that everyone will take advantage of this opportunity to get to know our neighbors in the community.

Neighborhood Ice Cream Social
DATE: FRIDAY, JUNE 1ST
TIME: 6:00 TIL 8:00 PM
PLACE: 1516 WHEATSTONE COVE
RSVP by TUESDAY, MAY 29TH TO
JOHN & NANCY RICE: (901) 759.9797
EMAIL: Ricen@mercercapital.com

Hope that you will make plans to attend. All refreshments will be provided by the Neighborhood Association. Please bring a lawn chair and plan to stay awhile to enjoy the fun.

To help defray the cost of producing and mailing of our newsletter to the 466 families in our neighborhood, a sponsor advertising section has been implemented to the newsletter. These ads are a great way to advertise your business and can be used as an informative resource for everyone that might have a need for the type of service being advertised. If you are interested in placing an ad for our next newsletter, contact by phone Doris Brewer at (901) 756.4495. If you would prefer contacting by email, you may contact either Becky Dunn at nandbdunn@bellsouth.net or Doris Brewer at doris.brewer@gmail.com.
